

INOXAP strengthens position in Tamil Nadu with commissioning of its 5th Air Separation Facility at Hosur

Plant e-Inaugurated by Hon CM Thiru MK Stalin today

With a Liquid Oxygen manufacturing capacity of 150 TPD, the new plant takes INOXAP's total Liquid Qxygen production capacity in the State from 150 TPD to 300 TPD

The plant will fulfil the Oxygen demand of more than 100 hospitals and medical colleges as well as cater to the industrial gas needs in the state

Built with an investment of INR 150 Cr, the new plant would strengthen INOXAP's leadership position in the country

Hosur, 18th February 2023: Hon'ble Chief Minister of Tamil Nadu, Thiru M K Stalin, today inaugurated a new Ultra-High Purity Cryogenic Medical Oxygen and Industrial Gases Plant, commissioned by INOX Air Products (INOXAP) at SIPCOT Phase II in Hosur, Tamil Nadu, with a manufacturing capacity of 200 Tons Per Day (TPD). INOXAP is India's largest manufacturer of Industrial & Medical Gases with a Liquid Medical Oxygen production capacity of 3400 TPD across its 47 operating locations. The Air Separation Plant, which was commissioned in just 20 months, will produce ultra-high purity cryogenic medical oxygen and industrial gases including Liquid Nitrogen & Liquid Argon.

With a potential to produce 150 Metric Tonnes of Liquid Oxygen per day, the plant now takes INOXAP's current Liquid Oxygen manufacturing capacity in the State from 150 Metric Tonnes to 300 Metric Tonnes per day. The new plant will help to fulfil the oxygen demand of more than 100 hospitals in the state of Tamil Nadu, as well as cater to the industrial gases needs of various industries. Commissioned with a project outlay of Rs 150 Crores, the new plant will also generate 150 direct and indirect employment opportunities in the state.

With a storage capacity of 1000 Metric Tonnes and a robust distribution infrastructure, INOXAP can ably perform this critical task of Liquid Medical Oxygen supplies with its fleet of 63 specialized Cryogenic Tankers having a total trunking capacity of 7.5 lakh litres of Oxygen. With the latest addition, INOX Group has further strengthened its commitment to serving the nation by ensuring an uninterrupted supply of medical oxygen as well as supporting the government's vision of building a self-reliant India.

Commenting on the newly commissioned Air Separation Unit, **Siddharth Jain, Director - INOX Air Products** said, "We are grateful for the support extended by the Government of Tamil Nadu under the leadership of Hon'ble Chief Minister Thiru M K Stalin. The commissioning of the Ultra-High Purity Cryogenic Medical Oxygen and Industrial Gases Plant in Hosur marks a significant milestone for us in our journey of servicing the nation's growth. Our latest addition enhances our ability to ensure a continuous supply of medical oxygen, support the state's healthcare infrastructure, create employment opportunities, and contribute to the state's overall economic growth. Our team worked tirelessly to ensure the project is delivered on time, and I would like to thank everyone for their efforts. INOX Air Products is committed to supporting the government's vision and contributing to the welfare of the nation."

OFFICIAL SPONSOR
OF THE INDIAN
OLYMPIC TEAM

INOX Air Products presently operates four gas plants in the state of Tamil Nadu, located in **Manali, Salem, Sriperumbudur, and Tirunelveli**. With the addition of the fifth plant in Hosur, INOXAP's partnership with the state of Tamil Nadu will be further enhanced.

About INOX Air Products

INOX Air Products proudly stands amongst the largest manufacturers of Industrial & Medical Gases in India. The company offers a unique portfolio of gases, equipment and services through a massive manufacturing capacity of 3400 TPD of liquid gases delivered from 47 operating locations. With our extensive network of operations, and a vastly diverse client ecosystem, INOX Air Products empowers more than 1800 small, medium and large manufacturing organizations across dozens of sectors, enabling and empowering them on their way to achieve their vision.

In our glorious journey of more than half a century, we have made massive strides on all the metrics of its business operations, by our sheer reliance on our virtues of customer-centricity, transparency and delivering value through quality. We take pride in our 1230 strong workforce, working tirelessly across the country, unleashing the virtues of integrity and innovativeness, well complemented by their ready-to-serve spirit.

Established in 1963 by the Jain Family as Industrial Oxygen Company Ltd in Pune, Maharashtra, the Company aimed to augment and capitalize upon the rapid industrialization taking place in the country. In 1999, Air Products & Chemicals Inc., USA acquired a 50% stake in the Company, giving birth to INOX Air Products. The venture remains till date, one of the longest Indo-American partnerships in the manufacturing sector.
