

INOX AIR PRODUCTS

OFFICIAL SPONSOR OF THE INDIAN OLYMPIC TEAM

INOX Air Products - Fact Sheet

INOXAP is one of the leading manufacturers of industrial, electronic & specialty gases in India. The company offers a unique portfolio of gases, equipment and services through a manufacturing capacity of 4700+ TPD of liquid gases delivered from more than 52+ operating locations. With our extensive network of operations, and a vastly diverse client ecosystem, INOXAP empowers more than 3000 small, medium and large manufacturing organizations across dozens of sectors, enabling and empowering them on their way to achieve their vision.

In our glorious journey of more than half a century, we have made massive strides on all the metrics of its business operations, by our sheer reliance on our virtues of customer-centricity, transparency and delivering value through quality. We take pride in our 1650+ strong workforce, working tirelessly across the country, unleashing the virtues of integrity and innovativeness, well complemented by their ready-to-serve spirit.

Established in 1963 by the Jain Family as Industrial Oxygen Company Ltd in Pune, Maharashtra, the Company aimed to augment and capitalize upon the rapid industrialization taking place in the country. In 1999, Air Products & Chemicals Inc., USA acquired a 50% stake in the Company, giving birth to INOX Air Products. The venture remains till date, one of the longest Indo-American partnerships in the manufacturing sector.
